Registration Notes:

Medical Releases

I certify that I am in possession of a medical release form for each rostered player that is signed by player's parent and/or guardian. I will also have available team roster and player passes for pre-game check-in at the refs discretion.

Score Keeping

I understand that a team official must sign the Game Card after each match to verify the score and disciplinary action. Once the Game Card is signed I understand that the score and disciplinary record will be considered accurate and final and will not be changed. Failure to sign the Game Card before leaving field will also result in the score and disciplinary action to be considered final.
